

*Community Transport—enriching lives for residents of  
Ryde and Hunters Hill by enabling access to the community*

 At Ryde Hunters Hill Community Transport we offer a reliable, caring and safe transport service to disadvantaged people living in the local area. Our aim is to assist both the elderly and younger people with disabilities to remain living independently in their own homes. All our services are door-to-door. We are a not-for-profit community-based organisation.

We run regular trips to shopping centres, operate an extensive social program, have a FlexiRide bus for easy access within the area, as well as transport options to assist passengers to their medical and hospital appointments.

Trips usually include a scenic drive and our friendly drivers always make the days extra special. We visit venues close to home as well as places further afield like the Blue Mountains, Wollongong, and Central Coast. We always have a variety of short and long outings to cater for everyone. Our program is posted out every two months. If you would like to receive the program, please register (see below) and then send us the Social Program Mailing List Form. We would appreciate \$10.00 towards the cost of postage.
